Kitacon 2017

Who the heck are you, anyway

I'm Elliot! Hi!

I used to be Podcast Host for the UK Anime Network

I used to write things there too:

uk-anime.net

I operate a search engine for legal digital manga availability:

mangasear.ch

I have an empty website:

moesh.it

A bit of background

Availability of short anime is
flourishing

Some of it is worth your time

Everything shown here is legally
available, right now

Everything is 12 minutes or less an
episode*

There is yet more out there I could
not get to in this panel!

Handouts available at end of panel
with recommendations**

**Shoutouts to [Because.moe](#)

Short anime (and so, life) falls
into three categories

TEMPLATE

Things to mention:

Length in time and eps, year

hallmarks , what makes it WORTH YOUR TIME
